

eSCALED

On-line training session on Polymers

Du 29 mars 2021 au 30 mars 2021

In the frame of the [European Project eSCALED](#) | 🇪🇺 on-line training sessions have been scheduled on Tuesday 30th March and Wednesday 31st March

All trainings will be done in English and are opened to PhDs and researchers at IPREM.

Tuesday March 30th

- 14h30 - 15h00 **Basics in Polymer Science** Prof Laurent Billon (UPPA)
- 16h15 - 17h45 **Polymer chemistry and synthesis (main polymerization techniques)** - Dr Antoine Bousquet (UPPA)

Wednesday March 31st

- 9h00- 10h30 **Conjugated polymers** - Dr Antoine Bousquet (UPPA)
- 10h45 - 12h15 **Polymer materials: self-assembly and grafting** - Prof Laurent Billon (UPPA)
- 13h30 - 15h00 **Polymers membranes** - Dr Vladimir Atanasov (University of Stuttgart)
- 15h15 - 16h45 **Characterization techniques used in Polymer Synthesis** - Dr Elise Deniau (UPPA)
- 17h00 - 18h30 **Rheology of complex fluids and filmification** - Prof Christophe Dérail (UPPA)

If you want to participate, please [contact us](#) back.
